POLICE DISTRICT PROPOSED FOR CAMPBELL

Grange Still Awaits Reply From Supervisor Campbell To Its Appeal For Action To Save Highway Trees

Orchard City Grange has announced intention to carry through to the finish its appeal to Supervisor Earl C. Campbell for action to save remaining trees along Santa Clara-Los Gatos Road between Hacienda and Pollard Roads. Asked whether any answer had been received from Campbell to the Grange letter of July 3, Secretary Herbert M. Shadle replied in the negative.

If an answer is not forthcoming in the near future, he added, then the Grange will contact the Supervisor in person. The Grange has voted to do some of the necessary work if the supervisors approve, Shadle emphasized.

Charles Scarper has told fellow Grange members that 114 trees remain of the original number planted. Many trees have been broken or burned, and others were destroyed during weed burning operations along the highway.

Text of the July 3 letter to Supervisor Campbell was as follows: "Orchard City Grange 333 has instructed me to write you concerning the care of the camphor trees planted on the Santa Clara-Los Gatos Road between Hacienda and Pollard Roads.

"I believe these trees were planted at county expense under the supervision of Supervisor C. P. Cooley.

"They are now under your supervision and we are appealing to you to see to it that they are properly cared for. They should be watered, dug around, and protected from fire and predatory automobile drivers. There are over 100 trees left. The missing trees should be replaced. The road could be made as beautiful as any in the county and would be a real asset to that area.

"The members of the Grange would be willing to help in any way you suggest to implement this work.

"The vote was unanimous at the June 27 meeting that this project be undertaken.

"Signed: Herbert M. Shadle, Secretary."

SEC'Y-MANAGER FOR LOCAL C OF C BEING CONSIDERED

Possibility that the Campbell Chapter of Commerce may hire a secretary-manager to further the interests of the community was seen Monday night following the chamber directors' meeting in the office in the Lloyd building.

President J. M. Dahl said major part of the evening session was given over to discussion of the proposal and a companion proposition that the number of directors be enlarged. Present board consists of six directors plus the president, vice-president and secretary.

Further details of the secretary-manager plan will be discussed next Monday at another board meeting. A committee of four was named to select possibilities for the position.

During balance of the evening, directors reviewed the problem of naming a new president. The nominating committee, headed by Laurence J. Hill has thus far been unable to persuade any of those approached to accept the nomination. Others on the committee are Frank Acardi and Fred Jones.

Meanwhile, a special meeting of merchants has been called for next Wednesday night to hear concrete plans for a fall sales promotion campaign. A committee of four local merchants, including Mrs. Tom Burnett, Helen De Rose, L. E. 'Bill' Means and Leonard A. Estenson, is already at work on the drive plans.

Special emphasis will be placed on the need for increasing business in Campbell.

Every businessman in Campbell, whether or not he is a member of the Chamber of Commerce, is urged to attend this meeting at 8 p.m. in the Little Theater at Campbell Union High School, for issues vital to the future of their businesses will be considered and acted upon at this important session.

Hospital Fund Request Slated For State Review

West Valley Hospital District Board of Directors met Monday evening in the office of board attorney George Stepanovich in Los Gatos to hear a review of the district fund application status to date. Consultant Larue Sorensen reported the application will be considered at the State Hospital Board allocation meeting next Monday in Sacramento.

Although present priority status of the West Valley application is not known, the district rated 16th on the list of hospitals being considered at the board meeting last year.

Following the allocation meeting Monday, at which state and federal monetary aid is hoped to be granted for the West Valley District, Sorensen will report to the local board on the state action. He plans to attend the state board meeting, and will review its findings when the West Valley directors meet again on Monday, August 14.

Meanwhile, the district has applied to the Housing and Home Finance Agency for funds in the amount of \$47,075 to carry on preliminary planning, including architectural fees, survey of the district, its hospital and medical needs and the population influx, as well as an engineering survey of the future hospital site, the 10-acre site near Vasona Junction on San Tomas Road.

Although potential need of this West Valley Hospital district is for 220 beds, the board is asking for a 50-bed hospital. Application for funds would cover two-thirds actual cost of the hospital construction. Remaining third would have to be financed by the district itself.

The two-thirds allocation, if granted, would consist of one-third each from the state and federal governments.

Board Chairman Herbert M. Shadle said that in event construction materials should be placed under government controls as a result of the Korean situation, hospitals and schools will probably have top building priority on the home front.

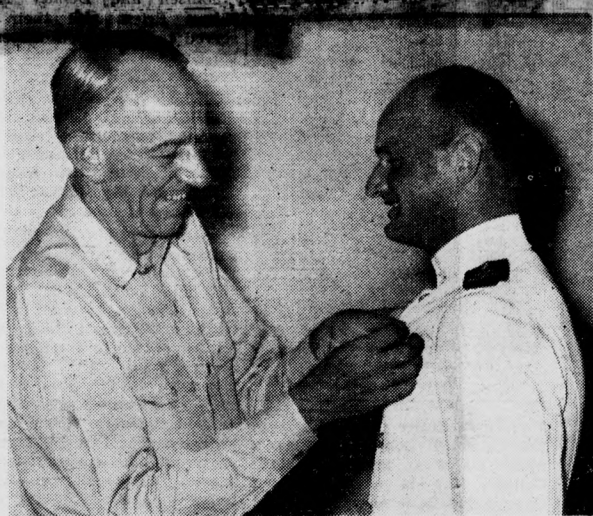

Sanitary District Tax Bill Is Cut By 50c Per \$100

Tax bills for residents in the Campbell Sanitary District will be considerably lower for the 1950-51 fiscal year as a result of sanitary board action taken this month in adopting a budget which pulls the tax rate down from the former 70c per \$100 assessed valuation to 20c per \$100.

Charles De Selle, chairman of the board of directors, said the reduced charge to taxpayers this year is due to low maintenance needs for the year, as well as the fact that the district will be paying nothing on its bonds this year. The bonds, in the amount of \$52,000, were taken over by Sanitation District 4 last year, and the District 4 will pay them off at the rate of \$5000 per year.

In preliminary budget adoption procedure, the Campbell district board meets on the first Monday in July as a board of equalization to hear any protests on the proposed budget. No protests were received this year, and the board convened again as a sanitary board and adopted the budget.

Homer H. Hyde has been appointed to the board of directors, succeeding the late Walter H. Stray.

A graduate of Rockland High School, Rockland, Maine, in 1943, Ensign Olds attended Bowdoin College for one year. He entered the Navy shortly thereafter and attended the U. S. Naval Academy as part of his training, receiving a Bachelor of Science degree. Pre-flight and basic-flight training were taken at the Naval Air Station, Pensacola, Florida, with advanced training in multi-engine aircraft taken aboard the Naval Air Station, Corpus Christi, Texas.

Ensign Olds is waiting further assignment.

Two Confident Youths Chance It; "Motor" To Alaska In 1929 Antique

Whoever preached, "Go West, young man, go west," evidently did not convince two Campbell youths this summer.

Turning the clock back some twenty years by their traveling medium, Larry Cowper, 23, and C. D. (Chuck) Cutting, 20, Campbell High School graduates, huffed, puffed, and finally arrived in Anchorage, Alaska, after three weeks of motoring (?) in their eager but over-worked antiquated Ford, vintage 1929.

Hunt Foods Starts Canning Season Tuesday, July 25

The Hunt Foods Inc. announced today that canning operations will start definitely Tuesday, July 25, a week earlier than last year's schedule. Fruits to be canned are pears, peaches, salads, and fruit cocktail. According to Mr. Elvan Hansell, plant manager, a heavier, and bigger pack is expected this season. Due to the shortage of pears in the Pacific Northwest California growers and packers will carry the load, he said.

The canning operation will reach full capacity within a week of the starting. By that time a maximum of 800-900 employees will be active.

On the 25th, two shifts of workers will begin operations. The day shift starts at 7:00 a.m. and the night crew starts at 7:00 p.m., with the regular one-hour lunch period from 12 o'clock to 1 o'clock.

Night operations will be under the direction of Mr. Ross Barall, assistant supervisor and day canning will have Assistant Supervisor George Hartwell in charge. The cafeteria will be maintained as during the past seasons for the convenience of the workers.

Hansell stated that the number of personnel employed this year is about the same as last season.

Board Approves Commercial Zone For E. R. Kennedy

E. R. Kennedy's application for C-2 commercial zoning was finally granted by the County Board of Supervisors after months of study, appeals and referrals. Application covered property on Catalpa Lane and Winchester Road and was originally approved by the County Planning Commission last January 2.

Residents appealed the 3-2 decision to the supervisors on grounds that the extension of the business zone was in violation of tract restrictions drawn up by Kennedy himself. The property owners also objected.

Preliminary Organizational Work Launched by Local Legion Patrol

Local Rotary Club Will Welcome District Governor

The Rotary Club of Campbell will host next Monday to W. E. Williams, Governor of the 155th District of Rotary International, who is making his annual official visit to each of the 43 Rotary Clubs in northern California. He

W. E. Williams, Governor of 155th District, Rotary International.

will confer with President William Maderis, Secretary Forrest Reese, and other local Rotary officers on club administration and Rotary service activities.

Mr. Williams is district manager of the Pacific Telephone & Telegraph company in San Jose and is a member of the Rotary Club there. He is one of the 201 Rotary District Governors who are supervising the activities of some 7100 Rotary Clubs which have a membership of 342,000 business and professional executives in 83 countries and geographical regions throughout the world.

Wherever Rotary Clubs are located, their activities are similar to those of the Rotary Club of Campbell because they are based on the same general objectives—developing better understanding and fellowship among business and professional men, promoting community betterment undertakings, raising the standards of business and professions, and fostering the advancement of good will, understanding and peace among all the peoples of the world.

Each year, this world-wide service organization continues to grow in numbers and in strength. During the fiscal year, for example, 293 new Rotary Clubs were organized in 36 countries of North, South and Central America, Europe, Asia, Africa, and the islands of the Pacific.

New Mortuary to be Established Here by Gilbert H. Krug, Former Santa Cruzan

Dr. John Wilson To Give Methodist Church Sermon

"The Witness of a Growing Church" will be the title of Dr. John F. Wilson's sermon at the Methodist Church next Sunday morning at the 11 o'clock worship service. Dr. Wilson is a former pastor of the church, having served the church from 1910 to 1913. It was during his pastorate that the present church building was erected. His many friends in the community are invited to take this opportunity to hear him preach and lead the service.

Special music for the service has been planned; Mrs. Beulah Y. Herbold will play the organ.

The Methodist Youth Fellowship will leave the church at 2:30 p.m. for an outdoor meeting. Each person should provide his food and eating utensils. Mr. Sydney M. Barker and Miss Jane Taylor will be in charge of the recreation and the following period.

Boundary Commission To Review Outlines For District At Its Coming Meeting Early In August

Preliminary steps toward establishment of an unlimited police district serving Campbell Township and portions of both Saratoga and Redwood Townships, have been taken by the Campbell Legion Patrol, Rex A. Kaber announced today.

Plans for the approximately 16-square mile district were drawn up with the aid of County Counsel Howard Campen, Kaber reported, and application for establishment of the district boundaries has been made to the Santa Clara County Boundary Commission which probably will consider the matter at its next meeting in early August.

Proposed outline of the district was submitted with the letter which stated: "Pursuant to the Health and Safety Code, Division 14, Part 1 and Chapter 1, it is the desire of the Campbell Legion Patrol to establish a police district within the exterior boundaries as marked in red on this map and, unless otherwise shown, are road centers."

BOUNDARIES

Boundaries proposed for the district are as follows: beginning at the southwest corner —from the intersection of Quito and Pollard Roads eastward along Pollard, Wedgewood Avenue, to the railroad tracks and Winchester Road, jog slightly north to East Parr Avenue, then eastward on a line to Woodard Avenue and along Woodard to its intersection with Jackson Avenue southward on Jackson to Charmeran Avenue, eastward to the end of Charmeran, then northward past the ends of Wyrick and Homerite Drives, north up New Jersey Avenue to Dry Creek Road, Eastward on Dry Creek Road to Meridian Road, north on Meridian to Hamilton Avenue west on Hamilton to San Jose-Los Gatos Road, north on San Jose-Los Gatos to intersection with the east-west line of Maria Avenue, then straight west to Williams Road, along Williams to Eden Avenue, south down Eden to Payne Avenue, then directly west on Payne to Saratoga Avenue, Southwest on Saratoga to its intersection with the railroad tracks, then following a south-east line along the railroad track to the starting point of Quito and Pollard Roads.

Mr. Hayden Pittman, county assessor, has checked the assessment area boundaries.

After the boundary commission has approved its outline, the patrol would then circulate a petition for establishment of such a district. Signatures of 50 resident property owners are required. The petition would then be filed with the County Board

of Supervisors who would hold public hearings on the application.

Under provisions of the State Health and Safety Code governing establishment of such districts, financing for the maintenance would be provided up to one-half of one per cent of the assessed valuation of the proposed district. Kaber pointed out that this slight increase in taxation would be more than offset by reduction in cost to property owners for their comprehensive insurance.

He estimated assessed valuation for the four square mile district, as outlined, at between \$10 and \$15 million. Population is approximately 15,000, he added.

COMMISSION

Following the hearings, conducted by the supervisors, and with approval of the application for an unlimited police district, the supervisors would then appoint three commissioners to supervise initial organization and operation of the district. The district could operate either independently or in cooperation with the county sheriff's office. Patrol members believe that for most efficient operation, the district should operate in conjunction with the sheriff's office.

The three-man commission would have authority to hire the police force believed necessary for the district, and would establish the salary scales. Upon expiration of these commissioners' terms, as provided in their original appointments by the supervisors, regular elections for subsequent commissioners would be conducted within the district. Terms of the commissioners would be staggered to provide for a carry-over of experienced commissioners on the board each year.

This proposed unlimited police district would be the first in Santa Clara County, Kaber, who is chairman of the Legion Patrol police committee, stated; however, in San Mateo county, three limited police districts have been established and are now operating. State law provides for either a limited or unlimited police district setup. A limited district differs from an unlimited type proposed for the Campbell area in that the population size and assessed valuation

(Continued on page 4)

Roadsters Return To S. J. Speedway

The roadsters return tonight to the San Jose Speedway after an absence of several months, according to Promoters Ray Leon and Joe Mastrini.

The regularly scheduled hard-top stock-car races will be held tomorrow night per usual.

The hot rod races will be sanctioned by the United Roadsters Inc., which is the new organization incorporating both the Racing and Roadsters Inc. and the Northern California Roadster Racing Assn.

The two associations decided to combine under a new name and charter and henceforth will race under one sanction.

Time trials for both nights start at 7 o'clock, with the first racing event at 8:30.

A new mortuary will be opened in Campbell at 151 E. Campbell Avenue, with Mr. and Mrs. Gilbert H. Krug as the owner-operators. In a joint announcement this week, Campbell realtors Guy E. Farley, representing the seller, Winifred Grizzle, and L. W. Harmon of Campbell Realty, representing the buyer, released the news of the forthcoming second local mortuary.

The concern will be called Krug Mortuary. Krug, who has been with Westendorf Mortuary in Santa Cruz for the past two years, said he plans to have the large house on the property remodeled. He probably will open the establishment in early February. He and his wife will take possession of the property in two months. Lot size of the property is 99x150 feet.

The new Campbell mortician came to California three years ago from Spokane, Washington, where he had had wide experience in his field. He is a graduate of San Francisco College of Mortuary Science, and served in the Army Air Force in World War II.

Mrs. Anna Krug, mother of the mortician, will live here with her son and daughter-in-law.

Krug told the Campbell Press this week that after a survey of this growing community he firmly believes that there is ample room for two progressive funeral homes in Campbell.

Social News of Local Interest

CAMPBELL REGISTER

MISS CAROLYN BERTELSEN, sister of MRS. ED KERSGARD of Dry Creek Road, enlisted in the WAF Reserve, 83rd Med. Group Col., on July 15 at Hamilton. Miss Bertelsen is a Saratoga resident and assistant to a dentist there. She is president-elect of the Santa Clara County Dental Assistants, and has been associated with her mother, Mrs. Laura C. Bertelsen, in Laura's Yarn Shop, San Jose.

KENNETH ENYART, former Campbell resident, was guest of honor at a combination birthday and farewell party held recently on the Fresno river east of Madera. Young Enyart, who finished school in 1949, has enlisted in the Air Force and will be stationed at a San Antonio, Texas, airfield, for training during the next few months. He is the son of Mrs. Jim Enyart, formerly of 43 S. First Street, Campbell. During the past year he has been employed in Madera. The farewell party was given by his mother and his sisters, Mrs. Ben Thompson and Mrs. Albert Miranda.

MRS. DELPHIA HOOK, who is planning an extended visit to the middle west in the near future, was honored at a surprise handkerchief shower last Thursday by a few of her intimate friends. They arrived at her home, 31 S. Second Street, bearing refreshments for their party. Those who feted Mrs. Hook were Mesdames Thompson, Harness, Charles De Selle, Luella Whitney, A. C. Currie, Harris, Prout and Clara Baldwin. Mrs. Hook will be leaving in about a month to visit her son, Ben Hook, and son-in-law, Franklin Blaine, at Idabel, Oklahoma, where they are operating a cannery. Prior to the Oklahoma stop, she will visit relatives in Topeka and Manhattan, Kansas.

MRS. JOE KEESLING, her daughter, DOROTHY, and son, CHARLES, are home after a five-weeks' motor tour during which Mrs. Keesling paid a return call to her home town, Middletown, Indiana, after an absence of 23 years. The trio were guests of friends and relatives in Anderson and Indianapolis, Indiana, as well, and visited Mrs. Keesling's two brothers and two sisters. They attended the wedding of her nephew, William I. Burke, in Indianapolis. On the eastward trip they traveled via the Grand Canyon and Albuquerque, returning by way of Denver and Salt Lake City. As for the weather, Mrs. Keesling says it was fine, they saw more rain in five weeks than Campbell receives in a whole year.

MR. AND MRS. BARTH O'BRIEN of Whitehall Avenue entertained out-of-town guests over the weekend. The visitors were MRS. C. W. REYNOLDS and daughter PEGGY, and MRS. BETH SMURR, all from Polson, Montana. They are on their way to Long Beach, for the National Order of Rainbow convention. MISS REYNOLDS is Grand Worthy Advisor of the state of Montana. Mrs. Reynolds is Mrs. O'Brien's sister-in-law.

Recent visitors to the home of MR. AND MRS. C. M. CLEVER of Sunnyside Avenue were MR. AND MRS. BRADFORD CLEVER from Chambersburg, Pa. They remained in town for four days.

With the REV. LAWRENCE J. OSBORNE on vacation, services will be conducted at the Campbell First Methodist Church by DR. JOHN F. WILSON. Rev. Wilson

HUGH NELSON JR. CLAIMS RUTH GURNEY AS BRIDE IN CAMPBELL CONGREGATIONAL CEREMONY

Ruth Gurney, daughter of Mr. and Mrs. Gordon F. Gurney of Billerica, Massachusetts, exchanged marriage vows Sunday, June 9, with Hugh Gilbert Nelson Jr., of Campbell. The Rev. Corwin H. Olds read the marriage service in a 2 p.m. ceremony at the Campbell Congregational Church.

Given in marriage by her father, the bride wore a gown of heavy white marquisette styled with bertha collar, short puffed sleeves, fitted bodice and full-tiered skirt over hoop skirt. Her fingertip veil was attached to a white straw bonnet trimmed with a half halo of orange blossoms.

Her cascade bouquet was of gardenias and stephanotis.

Mrs. Beulah McCorkle of Campbell was the bride's honor attendant, and wore a pastel green frock. Her bouquet was of talisman roses in cascade.

Philip G. Nelson of Watsonville attended the bridegroom. Guests were escorted to their seats in the church by William Sanford, Robert Samford, Paul H. Nelson, and Roy B. Nelson.

Incidental music before the ceremony was provided by Mrs. Mar-

was minister when the present church was erected. He was minister from 1910 to 1913. He is now retired and resides in Willow Glen.

MR. AND MRS. NORMAN CORVELLO and sons, JOHN, 6, and KEITH, 7, leave on their vacation this week. When asked any given destination, Norman replied they will just loaf around, driving to Carmel, Monterey and other scenic points of interest. The traveling four will be gone for about a week.

CEL GEREVAS and family left Sunday morning on a week-long motoring trip up the Coast highway. They intend to travel as far as Medford, Oregon. Along the way, Mr. Gerevas will visit old friends.

MRS. MARGARET PARR recently returned from a two-week vacation to San Diego.

MR. AND MRS. MERVYN KEESLING are now spending a peaceful two-week vacation at Yellowstone National Park.

MR. AND MRS. MERLE GARDNER just returned from a jaunt to Missouri. The vacationing duo spent two weeks in the "show-me" state.

MR. GEORGE GRAY left Friday for the state of Utah. He will stay in Salt Lake City for about ten days before heading back home.

Jorie Martin who sang, "Always" and "Beacuse." Mrs. Edith Van Rossem was the organist.

Mrs. G. E. Gurney of Massachusetts, mother of the bride, wore a print dress of yellow, gray and white. Her white gladioli corsage held a center of yellow carnations. Mrs. Hugh G. Nelson Sr. chose for her costume a sheer blue print dress with corsage of rose gladioli.

For the wedding reception at the church, floral arrangements of daisies and greenery were used in the table decorations. A four-tiered wedding cake was the centerpiece. Mesdames Philip G. Nelson, Robert Samford and W. D. Morgan assisted with the serving of refreshments.

A going-away ensemble of brown print frock with beige coat and hat of natural straw, was selected by the bride. She accented her attire with brown shoes and bag and corsage of gardenias. After a honeymoon in northern California and Oregon, the couple are living at 117 Vine Street, San Jose.

The new Mrs. Nelson attended Howe High School in Billerica, Mass., and is now employed at the San Jose Credit Bureau. She is the sister of Gordon F. Gurney Jr., and Ralph Gurney. Mr. Nelson is the son of Mr. and Mrs. Hugh G. Nelson Sr., of 131 Dillon Avenue, Campbell. He graduated from Campbell Union High School and has been in the Navy for the past seven years. His brothers are Philip G., Paul H. and Roy B. Nelson.

BPWC Barbecue Slated Wednesday

Campbell Business and Professional Women's Club will have a barbecue next Wednesday, July 26, at 6:30 p.m. at the home of Mrs. Mary Scorsur, New Jersey Avenue. This will be a social evening and games have been programmed.

St. Lucy's Guild

St. Lucy's Evening Guild held its monthly meeting at the home of Mrs. Evelyn Angelo, July 13. Mrs. Ann Dardanelli was co-hostess with Mrs. Angelo at the social and business gathering.

Katharine Fuller, Wayne Sorensen To Be Married

Mr. and Mrs. Rex K. Fuller of Campbell have announced engagement of their daughter, Katharine, to Mr. Wayne Sorensen of San

Miss Katharine Fuller

Jose. Miss Fuller graduated from the Campbell schools and is a music major at San Jose State College. She is a member of Gamma Phi Beta sorority and Mu Phi Epsilon, professional music sorority, which she serves as president.

Mr. Sorensen is the son of Mr. and Mrs. W. N. Sorensen of Pocatello, Idaho. He received his degree from Brigham Young University and did graduate study at the University of Utah. He is an instructor of music at San Jose State College and is a member of Phi Mu Alpha, men's music fraternity.

A September wedding is being planned.

Local Women Assist At Annual Vets Carnival

Mrs. Jean Atkinson and Mrs. Cecile Schad, local Business and Professional Women's Club members, and Mrs. James L. McBride were representatives from Campbell who assisted the Red Cross Saturday afternoon at the yearly garden carnival held for patients at the Veterans Administration Hospital in Palo Alto.

The club will continue its regular summer meetings by holding a steak barbecue on the evening of July 26 at the home of Mr. and Mrs. John Scorsur on New Jersey Avenue.

Rebekah Lodge Installs Officers At July 18 Session

Mrs. Helen Wrighglessworth was installed as Noble Grand of the Ada Rebekah Lodge 223 at the bi-monthly meeting July 18, at the IOOF Hall.

District Deputy President Hazel Thomsen and Deputy Marshall Thomsen and their staffs served as installers. Noble Grand Naomi Farley presided over the activities.

The other officers installed are: vice-grand, Mrs. Melva Penhall; recording secretary, Lillian Ohlen; financial secretary, Catherine Kilgallon; treasurer, Vadie Rice; trustee, Hattie Fellman.

Following is a list of the appointive officers: warden, Madge Wyse; conductor, Reba Chappell; chaplain, Lottie Rice; musician, Ruth Livingston; right supporter to the noble grand, Bessie Merrill; left supporter to the noble grand, Myra Payne; RSVG, Bonnie Silberbauer; LSVG, Eva Dahl; inside guardian, Elena Robinson; outside guardian, Helen Rice; color bearer, Carol Curtis; right altar bearer, Arlene Fellman; left altar bearer, Anna Rhine; publicity, Reba Chappell; and drill master, Frank Livingston.

It was announced at the meeting that Ruth L. Akers, president of Rebekah Assembly of California, will make an official visit to the Stella Lodge 22, July 25.

Mrs. Thomsen will hold a school of instructions in Saratoga, July 31, for all officers of District 3, it also was announced.

Following installation ceremonies, gifts were presented to Junior Past Noble Grand, Naomi Farley, and to the installation of officers, Mrs. Thomsen and Mrs. Priest. Both ladies gave short talks following the presentations. Mrs. Ida Bruegge, trustee of the Children's Home in Gilroy, spoke on her work and the work of the home.

Mrs. Helen Wrighglessworth announced that a Rummage Sale will be held August 19. Time and place have not been established.

The Noble and Vice Grand will be co-chairmen for the next meeting, August 1, "Fortune Nite" at 8 o'clock.

The Stitching Club, under Mrs. Jessie Silberbauer, chairman, was in charge of the evening's festivities. The hall was decorated in pink and green (lodge colors) accented by white daisies and silver trimmings.

Refreshments were served in the banquet hall with the table graced with the daisies and green and pink candles.

Mr. and Mrs. Glenn Wilbur Harlan To Reside Near San Juan Bautista

Setting for the formal wedding ceremony at which Miss Mary Lou Zumwalt became the bride of Glenn Wilbur Harlan was the Seventh Day Adventist Church in Campbell. Elder Kenneth Moore, Bible instructor at Mountain View Union Academy, read the wedding rites. The bride was given in marriage by her father, Donald W. Zumwalt of Campbell.

Arrangements of ferns and white daisies banked the front of the altar, and vases of mixed garden flowers decorated each side of the altar. White gladioli and magnolia blossoms were arranged about the organ and piano, while large white wedding bells overhung the altar. Before the altar was an arch wound with crepe paper streamers. Fuschias and carnations were used in the decor. Candles illuminated the aisles.

Little Linda Austin, flower girl, niece of the bride, and Jerry Austin, Bible bearer, nephew of the bride, preceded the bride and her father in the wedding procession. Linda wore a frock of white satin and a crown of pink carnations. She carried a basket of white crocheted lace filled with rose petals.

The bride wore a gown of white slipper satin fashioned with an off-shoulder effect, with a picture neckline softened by a chantilly lace bertha. The sleeves were wrist-length. The fitted bodice accented the full skirt which ended in a chapel train. Three rows of chantilly lace marked the waist. Her fingertip veil of illusion net was held by a white crown, and she carried a bouquet of baby orchids and stephanotis.

Miss Donna Zumwalt, who attended her sister as maid of honor, was dressed in orchid satin and carried a bell-shaped bouquet of gold and white flowers.

Bridesmaids were Miss Willadell Gerrans of Pacific Union College, Angwin; Darlene Bealer of Campbell and Mrs. Janean Harlan of Pacific Grove, sister-in-law of the bridegroom. Miss Gerrans wore a pale green taffeta frock and carried a rose-colored bell bouquet with matching flowers and head-dress. Miss Bealer wore green taffeta and carried an orchid colored bell bouquet with matching

Decorations for the church and hall were arranged by Miss Laura Gerrans and her brother, Bert Gerrans, of Saratoga, and Mrs. Ruth Colburn of Campbell.

After the wedding, a reception for the 150 guests was held at the Country Woman's clubhouse, where arrangements of gladioli and mixed garden flowers were used in the decorations. A three-tiered wedding cake centered the bride's table.

During the reception, friends of the couple presented a program (Continued on Page Three)

Legion Auxiliary Installs Officers At Unit Meeting

Mrs. Iva Kaber was installed as the new president of the American Legion Auxiliary, 596 at the unit's meeting July 12 at the Oddfellow's Hall.

Thirteenth District President Stephanie Casaurang served as installing officer, assisted by her staff.

Following is a list of other officers installed: first vice-president, Mrs. Louise Fairchild; second vice-president,

Mrs. Alleen Strickland; treasurer, Mrs. Ruth O'Brien; secretary, Mrs. Frances Clever; chaplain, Mrs. Hannah Barber; and historian, Mrs. Anna Hedegard.

The executive committee includes Mrs. Evelyn Knowles, Mrs. Henrietta Smith and Mrs. Clara Fagilde.

Present at the installation were guests from Palo Alto, Santa Clara, Willow Glen, Unit 89, Memory, and Los Gatos.

A brief program was presented by Mrs. Evabelle Fuller, program chairman. A short talk was given by the installation officer, followed by refreshments served in the gaily-bedecked dining hall.

George Gleeds Establish Home In San Jose

Now "at home" at 854 McKendrie street, San Jose, are recently married Mr. and Mrs. George Gleeds, following their honeymoon trip through northern California.

Dr. James H. Strayer officiated at the 4 p.m. wedding rites conducted in Calvary Methodist Church, San Jose. The bride, Mary Elizabeth Jones, was given in marriage by her father, Mahlon L. Jones of Campbell. She wore a gown of white satin with sheer yoke, medium train and lace fingertip veil. On her prayer book she carried a shower bouquet of stephanotis, bouvardia, white satin streamers and white orchids. Miss Patricia Jones was her sister's only attendant. She was attired in aqua taffeta, and carried a pink prayer book with bouquet of bouvardia and elfin roses.

Richard Gleed attended his brother as best man. Ushers were Kent Clark and Larry Lewis.

Walter L. Jones carried the rings on a white satin pillow which the bride had made. The ushers wore black trousers and white dinner jackets.

For her daughter's wedding, Mrs. M. L. Jones selected a rose suit with natural straw hat and brown accessories. Her corsage was of purple baby orchids. Mrs. James Gleed wore a black and white print dress with black picture hat and black accessories. Her corsage was also of purple orchids.

Vocalist David McDaniel sang "The Lord's Prayer" and "Oh Perfect Love" before the wedding ceremony began.

At the wedding reception in the church parlors, 175 friends and relatives were present to greet the couple and to see them cut the three-tiered wedding cake. Gardennias and candles were used in the table decor.

When the couple left on their wedding trip, the bride was attired in a coral suit, accented by natural straw hat and linen accessories.

The new Mrs. Gleed attended Campbell High School and San Jose State College, and has been serving as a secretary at Owens-Corning Fiberglass Corp. She is the sister of Walter L. Jones and Patricia Jones of Campbell.

Her husband, son of Mr. and Mrs. James Gleed of 250 N. Harrison Avenue, attended Campbell High School and San Jose State college, and is now employed in Santa Cruz.

Edwin Allenders Home from Crater Lake Honeymoon

Now residing in San Jose after a honeymoon at Crater Lake are new-weds, Mr. and Mrs. Edwin L. Allender. The bride is the former Miss Virginia Therese Welsh of Campbell.

St. Patrick's Church in San Jose was the scene of the wedding ceremony with the Rev. Joseph Sullivan officiating in the mid-afternoon rites. Lace inserts distinguished the ballerina-length organza gown worn by the bride who was escorted down the aisle by her uncle, Paul E. Martin.

Standing at the altar with the bridegroom were John Brooks, best man, and the ushers, Gerald Westlake and Steve Yurus.

Only attendant to the bride was Miss Sharon Grant, who was attired in apple green organza, accented by a pink carnation wreath in her hair and a bouquet of the same flowers.

Following a reception in the Paul Martin home, the newlyweds departed for their honeymoon destination.

The new Mrs. Allender is the daughter of Mr. and Mrs. John F. Welsh of West Hartford, Connecticut. She was graduated from Mt. Saint Joseph's Academy in West Hartford and received her degree from Teachers' College of Connecticut.

The benedict, now attending San Jose State College, is the son of Mrs. C. F. Buch of Red Bluff and the late George Leslie Allender. Allender served with the Marine Corps and the Merchant Marine.

Mr and Mrs. Harlan

(Continued from preceding page) of music and readings, with Mrs. Marjorie Greene of Campbell as mistress of ceremonies. Faith Bufano and Doris Hansen offered marimba solos. Vocal selections were presented by Darlene Bealer and Gordon Greene. Ernest Victorine played a trumpet solo and Mrs. Duffield of Monterey and Fred Jacques of Campbell gave readings.

When the newlyweds left for a honeymoon trip to Lake Tahoe and Reno, the bride wore a gray suit with white accessories and baby orchid corsage. Following the wedding trip, the couple will establish their home on the bridegroom's ranch in the foothills of San Juan Bautista.

The bride is the daughter of Mr. and Mrs. Donald Zumwalt of Campbell. Parents of the bridegroom are Mr. and Mrs. James Harlan.

Racing Events, Women's Exhibits Lead Fair Plans

"Everything bigger and better" is the slogan of 1950 Santa Clara County Fair officials as approaching completion dates of the new \$500,000 grandstand and track infield landscaping promised improvements for the coming fair time.

From September 11 through 17, more than 175,000 visitors are expected to tour the fairgrounds now being readied by attendants. Publicity chairman Albert Buhot estimates a total of 35,126 flowering plants are located around the 161.1 acre tract.

Rembert G. Lauber, chairman of the racing events committee, announces a total purse of \$1600 to be awarded during a four-day race schedule, September 14, 15, 16 and 17. Five races will be run each day, beginning at 1 p.m. Entry blanks for quarter horse events are available in the administration building at the fairgrounds.

Highest premium award for 1950 is the \$280 prize to be divided between exhibits in women's booths and farm women's organization displays, according to Mrs. Benjamin H. Campbell, general chairman of the home economics and women's exhibits at Santa Clara County Fair. First prize award in the two divisions is \$50. Booth entries will include canned fruits, preserves, jellies, canned vegetables, pickles and relishes and all types of handicraft.

Canned and preserved foods, clothing and textiles and table settings will be among farm women's organization exhibits.

Groups eligible in the latter classification are home economics clubs of the California State Grange, home departments of the California Farm Bureau, home demonstration agent of the Agricultural Extension Service or other farm women's organizations in this county.

New dimensions of the women's tent call for 600 square feet more than in previous years. Location of the 80x200 foot tent will be at the southern end of the main esplanade.

Mrs. Campbell urges all booth chairmen of county organizations to register booth entries with her as soon as possible.

Premium list books for the 1950 Fair now are available and may be obtained by writing the Santa Clara County Fair Association, 2530 So. First Street, San Jose, or by calling at the administration building on the fairgrounds.

Netops Elects Its Delegates To Great Sun Session

Delegates to the Great Sun Session to be held next month in San Jose, were elected Friday evening when Netops Council, Degree of Pochontas, convened in the Campbell IOOF Hall. Pochontas Alma Fanning was at her station.

Those elected are Bertha Hindle, Ruth Livingston, Vivian Johnson, and Margaret Benton Drew. Alternates are Edith Anderson, Alma Fanning, Irene Hodges and Veda Folden.

Losing team in the recent membership drive had charge of refreshment service. Under direction of Wenonah Blanche Gilpatrick, they served cold cuts, salads and punch to the winners.

Pauline Cleveland Named Winner In Slogan Contest

Pauline Cleveland's entry in the Campbell Junior Chamber of Commerce slogan contest was chosen the winner at the Jaycees' regular business meeting Wednesday night. Winning slogan was "When I shop at home and don't have to ramble, my dollars go farther while buying in Campbell."

The Campbell resident, of 71 Rincon Avenue, Campbell, will receive the award at a special ceremony early next week.

Following the naming of the contest winner, members enjoyed special entertainment provided by committee chairman Monte Koch. This included a showing of the films of the Santa Clara-Oklahoma game. Frank Pierson, Junior Chamber president, conducted the meeting.

Moreland Recreation Dance Program Set; Doll, Hobby Show Slated August 19

Moreland families attending the district recreation program tomorrow, Saturday night, at Moreland School, will enjoy a special dance program to be presented by the Dorice Andreucetti School of Dance. The special program will begin at 8 p.m.

Prior to the dance program, families are invited to attend the regular weekly program beginning at 4 p.m. under leadership of Bob Edminster. Hosts for the 6:30 p.m. potluck supper will be Mr. and Mrs. L. V. Reynolds.

A special doll and hobby exhibit is planned for Saturday, August 19. Entries for each show should be presented on August 19 between 3 and 4:30 p.m. Gwen Robertson will be chairman of the high school youngsters who will serve as judges. Participation in the shows is open to all youngsters of Moreland district through the eighth grade. Special classifications will be provided for various types of dolls. Boys are urged to show their hobby work.

Mrs. Clarence Barr will have charge of the ribbons and prize awards. Further information may be obtained by calling the general chairman, Mrs. James Lagiss, at Campbell 2286.

MONTALVO RECITAL

In addition to this evening's concert, tickets are on sale for the full Alma Trio recital to be given at Montalvo on Sunday, August 6, at 3:30 p.m. These may be purchased at the Saratoga Drug Store and Wayfarer.

Mrs. Thomas Haire is in charge of arrangements for the two recitals.

Bradley Manor Appeal Awaits

A session that can possibly determine the future of Bradley Manor will be held Monday evening as the San Jose City Council convenes for its weekly meeting.

City Attorney Robert E. Cassin will present his views and reasons for and against appeal of the recent decision of Superior Court Judge Leonard R. Avilla holding the Bradley Manor annexation election void.

Upon the presentation of Cassin's statements, the council will decide the issue by a majority vote. It can authorize Cassin to carry an appeal to the District Court of Appeals or it can table the appeal outright.

Proponents of Judge Avilla's actions may prepare corresponding briefs and arguments and follow the city into the higher courts.

Filing the appeal, if it is carried out, will mean that the Bradley Manor area will remain legally part of the city of San Jose until the case is finally determined by the higher courts.

The doubtful stature of the affair has involved affiliated issues. Last week the Campbell Union High School District met but took no action concerning the sale of \$950,000 in school bonds voted last May.

They are waiting until the San Jose City Council acts on annexation problem because any litigation over school district boundaries will interfere with the sale of the bonds.

Principal Laurence J. Hill revealed that plans for much-needed facilities are continuing with a rough draft of the proposed girls' gym finished. He said it would be impossible to complete the lighting of the athletic field by fall, even if funds were made available at once. Night games scheduled for the Buc eleven will be played at the Townsend Field in Santa Clara Hill stated.

More About Police District

(Continued from page 1)

Kaber pointed out that the Legion Patrol would act as an auxiliary to the district police force, thus reducing operating costs by two or three men, since the Legion Patrol members would serve on a volunteer basis.

Campbell Legion Patrol, which was organized last fall as a result of alarming increase in juvenile delinquency in this area, has been serving as a law enforcement agency for Campbell since the first week in November. County law agencies, overburdened by similar outbreaks, and understaffed at the best, welcomed this adjunct to their forces, and the patrol has conducted its volunteer work as special deputy sheriffs with all the standing of deputy sheriffs with the exception that they have served without pay. Through their influence, the delinquency situation in this area has been considerably relieved, but the patrol itself now states that the community is becoming too large, the population too great, for satisfactory law enforcement by such a small volunteer part-time group.

DUTIES INCREASE

Each member of the patrol has, during recent weeks, been called upon to give more and more of his free time to patrol duties. Since each earns his living through his own vocation, the remaining time for enjoying his home and his family life has been reduced to far less than may be expected of the volunteers.

This Sunday Burbank district has requested assignment of six or eight of the patrolmen to duties at its jamboree. The men are on call from the State Highway Patrol and the county sheriff's office, in addition to their regular volunteer work as authorized enforcement agency for the county parking ordinance in this area, and, as law officers operating on their own schedule.

Kaber, in conclusion, emphasized the growing need for 24-hour law enforcement within Campbell Township and environs. The tremendous property valuation, together with the rapid increase in the number of families, the majority of them young couples with small children, makes it imperative that this district receive hourly and undivided protection from its own established law enforcement agency.

Korea Background Description Given

With a background of a year's experience in Japan and a year in Korea, H. C. Armstrong was able to give a comprehensive word picture of conditions at the present battlefield in the Pacific, when he spoke before Campbell Kiwanis Club Tuesday noon. His work was in an advisory capacity to the Minister of Education in Korea, a position which, in that country, ranks all others.

"We made many mistakes in Korea by not taking into account several important factors," he told club members, "one of which was the fact that Korea is really an old civilization, dating back to 2000 B.C., and has, over that length of time, been subject to many varied adversities. Nevertheless they are still a proud people and maintain the dignity of a proud though subject nation, after being under the domination of several conquerors."

Korea has a large population with relatively a small area of the world, stated the speaker. The Koreans have at present no international exchange, no autos, no fuel and are lacking in a great many things to make an up to date economy. It will take good statesmanship to bring Korea up in the family of nations after we rescue her militarily.

Mr. Armstrong has a Harvard University background and, at present, is at Stanford University for the summer. He was introduced by Hans Hansen, chairman of the day, and William C. Henley presided as president.

Visitors were Andy Anderson, Cecil Hardesty, Cliff Swanson and Arno Bachrodt of San Jose, and W. R. Copeland of Campbell.

D. H. Cramer was awarded a six-year perfect attendance pin. Ray Mathis received an 11-year award. Both were presented by Ira H. Grim of the attendance committee.

Next Monday Ralph H. Hyde will show colored pictures of a recent trip. On August 8 the club will hold a Ladies' Night barbecue at the Henry Jewell residence.

HAND SAWS STOLEN

Louis 'Dad' Lee, 58 S. Third Street, Campbell, has reported the theft of four hand saws from his hobby shop Monday afternoon. Lee said the theft probably occurred between 3 and 4 p.m. while he was away from home visiting his wife who is in a rest home near here.

Asked how the alleged burglars had gained entry to the workshop, Lee said they probably walked right in, since the door was left unlocked.

Lucases Granted Duplex Zoning For Avenue Property

Part of the petition of Frank and Sophie Lucas for reclassification of property on the south side of Campbell Avenue between No. Union Avenue and Los Gatos Creek was approved with modifications by the County Planning Commission Wednesday afternoon, but the request for a C-2 commercial zoning was denied.

The Lucases had asked rezoning to R-4 apartment house zoning, and also the C-2. The R-4 zoning was modified to R-3 by the commission, permitting the multiple dwelling or duplex use sought. Commission Secretary Nestor Barrett cited a recent business property survey made in Campbell by the commission staff. This showed some 40 percent of the property zoned for commercial use is not being used for that purpose, and the Lucases' C-2 request was denied on findings that no further business zoning is needed.

Fred Holton filed resolution of intention to reclassify property on the northwest corner of Bailey and Bascom Avenues from an R-4-H zone to a limited business classification, H-1. Holton seeks to operate his real estate office in his home there. Hearings on the petition will be conducted during the next two months.

Stephen Dorcich was the only person present to speak at the first public hearing on his petition to reclassify property on the easterly side of Monroe Street, between Stevens Creek Road and Scott Street, to R-2 duplex zoning. Final hearing will be held August 16.

Following second hearing on proposed establishment of an official plan line on Santa Clara-Los Gatos Highway, between Latimer Avenue and Hacienda Drive, the commission took the matter under advisement for further study. Final decision will be given at the August 2 meeting of the planners.

Mrs. R. B. Thompson appeared to speak at the first public hearing on her husband's application for reclassification on the east and west sides of Central Avenue, from the northerly line of Grant Street to a point approximately 480 feet northerly therefrom. She stated rezoning from single family to multiple dwelling classification was needed to permit construction of a house at the front of the property. Second hearing is set for August 16.

Are you having troubles? Let a Want ad Help you Solve them!"

The Campbell Press

More Kennedy

(Continued from Page 1)

jected to proposed use of a portion of the property for the David F. Rutherford mortuary. This proposal has since been canceled, since Rutherford now seeks to establish his mortuary on the corner of Latimer Avenue and Winchester Road.

Supervisors, in turn, after hearing the appeal, referred the matter back to the Planning Commission for further study of two factors involved—whether extension of the C-2 zone was necessary and whether the original application was or was not in order.

As a result of the referral, the commission conducted a detailed survey of property in Campbell available for business use, and reported that slightly more than 40 percent of the business-zoned property is not being used for that purpose. On the second question, whether the original application was in error, the commission found that no intentional misstatements had been made, that the application was in good faith, but there was an error in recording the original deed restrictions.

Supervisors found that the application was made in good faith and approved the originally-granted C-2 zoning by the commission. Matter of clearing up the deed restriction problem was left to Kennedy and property owners in his tract to settle between themselves.

Campbell Health Report

One case of chickenpox was reported in Campbell for the week ending July 8, according to Santa Clara County Health Department records.

A total of two cases were reported in the county for the aforementioned period. For the year to date 398 cases have been reported as compared to the 971 cases reported to date in 1949.

Announcing...the Beautiful

CHRYSLER IMPERIAL 4-DOOR SEDAN
with Clearbac rear window

Chrysler Imperial

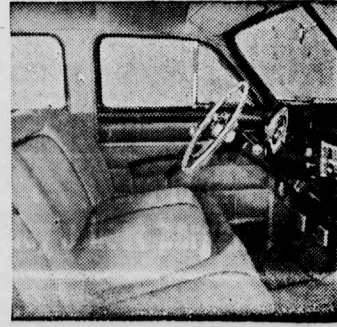

a new car of unrivaled distinction

This is the Chrysler Imperial...new running mate of America's finest car...the great Chrysler Crown Imperial. With the same luxurious interiors—unmatched in automotive history! With built-in value all the way through unrivaled today! With the quality of materials, the workmanship, and engineering that put every Chrysler in a class by itself! From new Clearbac rear window to the soft, satiny butler-finished chrome of interior appointments...this car is excitingly new! Deliberately built as a challenge to all former standards of what a fine car should be...and should do for you! Come take the wheel. Then carefully compare the built-in value with what the others offer.

There's built-in value all the way through without equal... Waterproof Ignition System... High Compression Spitfire Engine... Fluid Drive... Full Flow Oil Filter... foam rubber seat backs... a Booster Brake... Chrome Wheel Covers... White Sidewall Tires... many other features that, when available at all, are extra-cost on other cars.

Here is distinction in interior decor unsurpassed in any other car, regardless of price. Aristocratic color harmonies combine exquisite wool broadcloth fabrics, top-grain leathers. Chrome is tasteful butler-finished. Window lifts are electrically operated... arm rests, front and rear, are double-width throughout.

Los Gatos and Oak Sts.

VARNER'S GARAGE

Saratoga, Calif.

ORIGINAL

POPULAR RECORDS: The father and son team of Bing and Gary Crosby have just issued their first record — **SAM'S SONG** and **SIMPLE MELODY** (Decca 27111). If you heard Gary sing on what a charming voice he has — sounds like Bing twenty years ago. Both tunes are top-drawer material and it will be hard to find a version of either ditty that is more appealing than these.

Latest pair of singers to team up are Frankie Laine and Patti Page — tune is **IF I WERE YOU**. **BABY, I'D LOVE ME** (Mercury 5442). I've had a feeling for some time that Frankie was slipping and this disc only confirms that opinion.

The tandem-style singing of Jo Stafford and Gordon MacRae is a far cry from that offered by Frankie Laine and Patti Page. Jo and Gordon beautifully and tastefully sing two old favorites on their latest recording, **THE ROSARY** and **A PERFECT DAY** (Capitol 1061). Paul Weston's orchestra ably assists as Jo and Gordon dreamily sing these well-loved melodies.

Jazzophiles will enjoy the authentic jazz offered by the Eddie Condon aggregation on **JAZZ ME** **BLUES** and **MAPLE LEAF RAG** (Decca 27035). The hep crowd will be pleased with this pair. The singing of Ralph Sutton on **Maple Leaf Rag** is excellent.

Tony Martin rather goes off the deep end on the melancholy melody of **PEACE OF MIND** (Victor 20-3799). Tony gives out with a western-flavored toning on this infectious ballad. Flip is the oldie **I STILL GET A THRILL** expertly styled by Tony and the Honey-dreamers.

Minah Shore couples **SIMPLE MELODY** and **I STILL GET A THRILL** (Columbia 38837). Dinah tints **Simple Melody** with a dash of Dixie, flavors it with a wonderful set of lyrics and tops it all off with some ear-caressing warbling. Being a performer of sorts on the Licorice Stick for many a year I eagerly awaited the arrival of **MODERN MUSIC FOR CLARINET** with Artie Shaw on the clarinet.

CALIFORNIA SPEAKS

Statements By Interesting Californians

Herbert Hoover: "The way of life of a people must come from within—it cannot be compelled from without."

Capt. Eddie Rickenbacker, in L. A.—"There is every hope of averting global war by unity of purpose, through faith and prayer, and by recreating the true fighting American spirit."

Andy Geer, S.F. writer, on return from Orient—"The unrest in Asia is so palpable you can put your hand out and feel it, like rain."

Mrs. India Edwards, Demo. National Comm., in Calif.—"We didn't keep as large armies of occupation at war's end as we should have because the women were screaming for the boys to come home."

Pat O'Hannigan, S.F. longshoreman—"All the Commies should be loaded into armed cars and sent to Tule Lake."

inet with Walter Hendl and his orchestra and The New Music String Quartet. I don't know when I have been so disappointed in a record—Shaw's technique doesn't click as well with "serious" music as it does with "swing" and as far as I am concerned the disc contains some forty odd minutes of dithering that gets nowhere.

CHILDREN'S RECORDS: **THE CHUGGING FREIGHT ENGINE** is a happy combination of musical dramatic play and participation material for the sandpile set (Young Peoples Records, Inc., 728). I am very much in favor of children's records that do more for the child than just entertain him and I particularly like records that encourage imaginative activity as **The Chugging Freight Engine** does.

CLASSICAL RECORDS: After the terrible disappointment with Artie Shaw and his **MODERN MUSIC FOR CLARINET**, I feel like drooling over Reginald Kell's playing of two Brahms' Clarinet Sonatas—**SONATA IN F MINOR**, OPUS 120, No. 1 and **SONATA IN E FLAT**, OPUS 120, No. 2 (MERCURY LP 10016). Kell exploits the clarinet's wide dynamic range to the utmost, his skill in coloring the clarinet's tone is remarkable. Mieczyslaw Horowitz is the deft and sympathetic accompanist on both Sonatas. If you are at all familiar with the clarinet you will be amazed at Kell's command of the instrument, but as Kell himself puts it: "I do not play the clarinet; I play music."

Recent addition to the Long-Playing catalogue of the Beethoven Concertos is the **CONCERTO NO. 1**, in C. Opus 15 with Ania Dorfmann, pianist and Arturo Toscanini and the NBC Symphony Orchestra. This charming concerto was written when Beethoven was in his late twenties, several years before his first symphonies appeared. Ania Dorfmann and Arturo Toscanini present a magnificent and inspired performance of this refreshing concerto. Beethoven, in this concerto shows a lightness and gaiety that is missing in his later works. The influence of Mozart and Haydn is quite apparent but let us not forget that Beethoven did not absorb influence the way a sponge soaks up water but that he used his powerful creative imagination on the ideas he gained from Mozart and Haydn and that the results are typically Beethoven and no one else.

Try a Campbell Press classified.

Walter Kerl Takes Military Course

Walter Kerl, 222 Shelby Road, a lieutenant in the military intelligence reserve, is attending a two-week course with 50 other reservists at San Francisco Presidio.

The war-trained intelligence specialists are receiving instruction on such subjects as prisoner-of-war interrogation and evaluation of combat reports.

Mrs. N. Sutcliffe Succumbs In L. A.

Mrs. Nance E. Sutcliffe, former Campbell resident, passed away Monday morning in a Los Angeles hospital. Death was attributed to bronchial pneumonia.

Mrs. Sutcliffe, 86, was a native of England. She is survived by a daughter, Mrs. Frances Ellis of Sacred Heart Hospital, Medford, Oregon. Funeral services are pending at the Melvin Mortuary.

Mrs. Ruth Kelly Dies In Inglewood

Mrs. Ruth Clara Kelly, 74, of 537 Apricot Avenue, died last week in Inglewood while visiting her former hometown friends.

Funeral services were held in Inglewood with interment in Inglewood Park Cemetery. Lutheran Chapel of Peace rites were conducted by the Rev. Edmund G. Krueger, pastor.

Mrs. Kelly, a native of Kansas, leaves her husband, William, and two daughters, Mrs. Leota Critchlow of Campbell and Mrs. Marian Blankenship of Inglewood. Six grandchildren and seven great-grandchildren also survive.

H. E. C. Rummage Sale Next Week

The Home Economics Club of Orchard Grange will hold their annual rummage sale Tuesday and Wednesday, July 25-26, at the local IOOF Hall, according to Mrs. Mae Walsh, chairman in charge. Hours of the sale are from 8 a.m. to 5 p.m.

Any members of the Grange or other persons interested in donating rummage may leave their donations at the IOOF Hall on the day of the sale.

Late Evening Mail Dispatch Added

A late evening mail dispatch has been added to the Campbell Post-office services, effective next Monday, July 24, Postmaster Ira H. Grim announces. For the convenience of the Campbell business men and the general public, "First Class Mail only" will be dispatched from the Campbell Postoffice at 6:44 p.m.

Mail should be in the postoffice drop not later than 6:30 p.m.

By JERRY THOMAS

SOAP BOX SPIEL . . . Last week, Macs' Market and Leon Terrys, regular members of the Campbell Softball League, met in the finals of the Santa Clara County Invitational Tourney before an overflow crowd at Backesto Park. The brand of ball offered by the locals drew large, enthused crowds throughout the tournament.

Yet these same teams, and others of similar caliber formulating the Campbell league, cannot draw enough local fans to fill an oversized oyster shell.

Campbell softball fans, if they realize it or not, have some of the flashiest, fastest teams in the county right in their back yard. Witness the play and departure of Western Gravel, one of the better clubs in the nation.

What are the causes leading to this obvious lack of attendance at the games? I'm sure it isn't the lack of talent. Some say perhaps the lack of publicity has been a prime factor. Weather also has been blamed in some circles as a vital drawback.

Certain dissenting factions state that the playing field is not up to par. Yet many visiting players (well versed in playing conditions) when asked their opinions regarding the field, voiced satisfactory comments with very few airing disapprovals.

At the present writing, according to reports, the field is in the best of condition. Last Sunday, several committeemen and others put in many hours of voluntary labor, raking, cleaning and replacing the loose loam.

The league committee and various sponsors should be saluted for their hard work and frequent subsidizing of the financially-poor league, but more about that later.

True, the Campbell Softball League is in first season and that some of aforementioned causes are highly plausible. But these reasons cannot and do not alter the fact that attendance figures are practically nil.

Let us examine and discuss the purpose of the recently-organized loop and the mandatory costs of night softball.

This softball program is put on for adult recreation. Campbell sportsmen claimed they had nothing to do in the evening. Thus the softball loop was instigated with the sole purpose of giving local fans good softball. The league committee has gone further than that. They have secured some of the best teams from the San Jose area.

In order to attract the best the loop charged less for entry fees than did the nearby leagues.

A financial item confronting the Campbell league is the entire cost of expenses. In San Jose, the recreation department aids the loops in meeting the bill collectors. The city pays for the lights, a samaritan move that further abets their cause.

To illustrate the financial handicap currently existing, according to Tony Bakich, director of the league, between \$8 and \$9 have to be collected through attendance contributions to break even for the night. But the average take thus far this season is \$4. For collections of that size who needs a hat to pass, the side pocket of any billiard table would suffice.

The cost of lighting the local field totals \$6, plus umpire fees and cost of balls. All the deficient bills are met by the league till and the generosity of the sponsors. This extra-curricular expense does not tend to make the future relations bright.

It was revealed that Campbell will have the softball league in future years but local attendance reaction will decide the league's ability to grow and afford the benefits a successful organization can derive.

Campbell softball fans wanted good softball—they have it—let's hope they will react accordingly.

VERSATILITY PLUS . . . It was a foregone conclusion that coaches today have to have teaching credentials in order to augment their athletic lore with classroom chores. But evidently the coaching school of larnin' will see two of them busily engaged in beautifying the premises.

Jim Muir, varsity football coach, is readily getting up in the world, as his rise on a 20-foot ladder will testify. He is trimming all the windows and doors with a coat of extremely-sticky paint. Jim will sourly attest the stuff's adhesive quality.

Junior Morgan, newcomer to the coaching staff from San Jose State College, is at opposite positions. He has just finished painting the equipment room and is starting work on the gym office floor.

Bill Perry, former football mentor and new assistant to Bob Bronzan, head football coach at State,

LOCAL SOFTBALL NEWS

In what promises to be an evening of top-notch ball, Maderis Market hosts the visiting Oakland American Legion in an exhibition game tomorrow night at the local softball diamond. Game time is 8:30 o'clock.

The legionnaires have become recognized as one of the faster clubs in the potent Bay area loop.

Augmenting the night's softball festivities, a Junior Softball League game will precede the aforementioned tussle. The Junior Oddfellows meet the Lou Acklin ten at 7:00 o'clock.

Last week in the junior circuit's curtain-raiser, Royer's club handed the Gilpatrick gang a 12 to 2 shellacking.

FRIDAY—"A" LEAGUE

Davenport Electric, winners of only one game in the first half of play, started their second half of the Campbell Softball League with unprecedented vengeance by soundly trouncing Maderis Market 11 to 2.

Evidently charged with some of their own juice, the electricians short-circuited the foodmen in the second, third, and fourth frames, when they scored all their runs. They warmed up to the task by tallying three times in the second on three hits. The following stanza found them shoving across six markers with the aid of five timely bingles.

They satisfied their scoring appetite completely in the third by counting twice on three more hits. From then on it was no contest.

"B" LEAGUE

Continuing their winning ways, Bettencourt's Market, first half champions, handily defeated Farmers' Union, 11 to 1.

The issue was settled in the first frame as the victors scored five times on five hits and two of the five walks granted by farmer chuckers. To insure the game, the marketmen pushed over three safety runs in the last inning with the help of four hits. In all, they amassed a total of 12 safeties while the Union (evidently not so strong that night) could gather only two hits.

MONDAY "A" LEAGUE

Mac's Market definitely established themselves as the team to beat as they warmly waxed first-half champs Leon Terrys to the tune of 7 to 0.

The win marked the second successive day that the Macmen measured the L. T. team. Sunday the winners captured the San Jose Invitational tourney at Backesto by trimming the Terrymen, 3 to 0.

On the mound for both games was Dutch Johnson. In two starts in the second half of local play, Johnson has pitched 14 innings of amazing ball. A brief fling at the statistics reveals that he has allowed only three hits (no hitter against the Purple Knights), no runs and struck out 28 men.

Monday eve he sent 11 Terrys back via the K route, as his team benefited by 10 free passes to first, secured only three hits off the combined offerings of three opposing hurlers. Kelly was charged with the loss.

"B" LEAGUE

Behind the two-hit pitching of Neidefer, Moorpark shut out Jeffers, 7 to 0. He struck out four and walked three as his mates collected nine bingles off Hunter. The Jeffers chucker hurt his cause no end by giving up 10 walks. Hitting

is back at the high school these summer months lending a helping hand to Bob Culp at the workshop. The two indoor-woodsmen are refinishing desks, tables and sundry other wooden school equipment.

Softball League Trophies Displayed In Press Window

Team trophies to be awarded the winners of the "A" and "B" divisions of the Campbell Softball League, plus the trophy going to the champs of the Junior Softball League, are on display in the window of the Press.

The three trophies were purchased by the Campbell Softball Association.

The "A" league award is of ivory-plastic, tapering from a wide base to a tower-like peak. Atop the pinnacle, a statue of a softball pitcher is situated. The trophy measures approximately 14 inches from the base to the hurler's cap.

Several inches smaller is the "B" division award. Shaped like the aforementioned trophy, it has a batter situated atop its crest.

The smallest of the three is the Jr. loop's trophy. It has a 6-inch batter same size and pose as the "B" statue mounted atop a circular 3-inch platform.

star was Moorpark's Jack Franzer who had a perfect night, getting three for three.

TUESDAY "A" LEAGUE

Maderis Market got back in the win column by winning a slugfest from the Saratoga Merchants, 12 to 9. The game was a hitters' delight as 19 safeties were collected by both teams. Two homers were registered, one by each club. Maderis' Fisher and Rivera of Saratoga were the circuit clouters.

Other players wielding wicked sticks were Austin and Major of the food ten, who gathered two for four respectively. Sparks and Adams each got two safeties in four trips for the merchants. The winners outthit their foes, 10 to 9.

"B" LEAGUE

Scoring 14 runs on only three hits, the Farmers' Union was handed a 14 to 7 victory over Campbell Hardware. Errors, walks and general fielding boners attributed to this rather odd game.

The hardwaremen garnered five hits, two of them homers by Scortino and Calabry.

The Union's pitcher, Keever, was the main cog in the team's offense as well as defense. He got two of the three hits in two times at the plate and scored twice.

Thus far, the union ten has split in two games of second-half play while the pots-and-pans boys, erstwhile co-champs of the first half,

Coming Softball

SCHEDULE OF GAMES

Following is the schedule of games for the coming week in the Campbell Softball League, starting Monday, July 24.

"A" LEAGUE

(games begin at 9:00 p.m.)
M—Mac's Mkt vs 7:30 Club.
T—5 Spot vs Saratoga Mchts.
W—Open Date
T—Leon Terrys vs Maderis
F—Purple Kts. vs Davenport

"B" LEAGUE

(games start at 7:15 p.m.)
M—Oddfellows vs Moorpark.
T—Netops vs Farmers Union
W—Bettencourt vs Campbell Hdwr
T—Amer. Legion vs VFW
F—Jeffers vs J C of C

SOFTBALL LEAGUE Second Half Standings (As of July 20)

Division Warns Nimrods About Hunting Licenses

With the August 7 opening of deer hunting season just around the corner, the Division of Fish and Game has issued a reminder to California hunters that 1950-51

hunting licenses are now on sale in five Division offices and 3000 license agencies.

The permits are required for all types of hunting after July 1. Printed copies of complete 1950 able with each license purchase.

Out-of-state hunters will feel the effects of a new legislative ruling which boosted their license fee from a reciprocal minimum of \$10 to a flat \$25. Nonresident citizens will also be charged \$10 for deer tags.

Resident citizen license fees remain the same as in 1949: \$3 for hunting license; \$1 for deer tags; \$1 for pheasant hunting tags.

Another legislative innovation put nine game shipping tags on each new hunting license. The detachable permits must be used when a daily possession limit of quail, pheasants or doves is offered for common carrier shipment.

Our Advertisers Will Serve You Well

You can seldom put a price on a telephone call...but we do our best to make sure service is there when you need it.

THE SERVICE THAT NEVER SLEEPS

Round the clock, your telephone is one of today's best bargains

1. Keeping night patrol throughout the West, hundreds of telephone people are on duty to help meet emergencies and make sure your telephone will be ready to work for you when you want it. Many maintenance jobs are done at night while most telephone users are asleep. Lines are checked with electronic testers. Sensitive switching equipment is vacuum cleaned to help stop trouble before it starts.

2. In the quiet hours of the night, operators handle relatively few calls... but often they are unusually important. Repairmen are on call for service on important lines... doctors, hospitals and the like. Garagemen check and equip trucks for the next day's installation rounds. Building service workers make offices spic and span. All have an important part in keeping your service reliable.

3. Day or night, workday or holiday, your telephone remains one of your most valuable and useful servants. In spite of postwar inflation, telephone rates have gone up far less than our costs of providing service. On the average, rates have gone up less than half as much as the cost of living generally. A few pennies still buy a call... whether it be important or routine. Your telephone still gives you a big value for your budget dollar.

PRICE INCREASES SINCE 1940 IN TERRITORY WE SERVE

More About Local Softball

(Continued from Preceding Page) led the locals at bat, despite the 10 strikeouts recorded by Garcia, opposing hurler.

"B" LEAGUE

The VFW club continued unbeaten in second-half competition by trimming the Oddfellows, 11 to 2. Although they were able to get only six hits, the vets literally walked away with the game as they were given 10 bases on balls. Winning chucker, Berghetold, kept four safeties well scattered as his team remained in serious contention for division honors.

THURSDAY "A" LEAGUE

Purple Knights eked out a thriller over the 7:30 Club as their chucker, Jackson, pitched and batted a 6 to 5 victory over the winless clubbers.

With the score tied at 5-all in the final frame, Jackson delivered the game-winning blow, knocking in the sixth and most important tally. On the mound, though somewhat erratic with seven walks, Jackson allowed but three hits. Two of them were for the distance with Carriere and Swarte hitting homers.

"B" LEAGUE

In a comedy of runs (or nightmare, depending upon your choice) the American Legion met, beat, and practically annihilated the Junior Chamber of Commerce by the football score of 23 to 6.

In what should be some sort of

Recreation League Starts Play

First-week standings of the Campbell Union School District Baseball League were released yesterday with the Campbell school leading the pack with a record of two wins as against no losses.

In second place is Moorpark with one game one and one lost. Bringing up the rear in this three-team loop is San Tomas, who has not tasted sweet victory as yet in two starts.

Throughout the summer months each team will play two games per week, one at home and one away, according to Neil Royer, director of the youth program. The league will continue for about six weeks with each team playing a total of 14 games.

Royer stated that the age limit of players is restricted to boys of grammar school years.

Tentative plans call for a league picnic and outing at the beach or mountains upon completion of the league play.

single-inning record, the legionaires scored 20 runs in the third frame. They missed one extra point after touchdown.

Obviously determined to adhere to their policy of civic good will and fraternization, the JC clan did everything possible to assist the Legion lads in the hitters' marathon. Thirteen hits rattled off the bats of the run-happy vets in that single inning.

Supervisors OK Fifth Kiln For Permanente

Permission to install a fifth kiln at its Monte Vista plant was granted Permanente Cement Company Monday by the County Board of Supervisors. The Kaiser Company subsidiary reported addition of the kiln and other new equipment will increase its capacity by 24 percent when the equipment goes into operation about next February.

Supervisors approved the request after receiving the report of Dr. Elwyn W. Turner, county health officer, in which he stated that the Permanente plant operation does not constitute a health menace. Supervisors stipulated, however, that the \$50,000 bond, posted in 1939 by Permanente to guarantee area property owners against damage, be increased to \$75,000 and that the bond be written by a surety company instead of by Permanente company.

Mrs. Anthony Voss of Monte Vista had led a protesting group which opposed expansion of the plant facilities on grounds the cement dust from the plant has ruined orchard trees and shrubs and has caused damages to home furnishings in the area.

Dr. Turner's report stated none of the dust samples taken by him in the area showed cement in detectable concentrations, and that the samples contained less than one percent cement dust. Samples of Permanente quarry dust, when compared with those samples taken from homes of protestants, showed remarkable similarities in composition, the health officer's report stated, but they were completely dissimilar to the commercial cement sample.

He included reference to statements from three doctors living and practicing in the area, who stated that in their opinion the plant dust does not contribute to morbidity or mortality.

Originally the County Planning Commission had approved application for permission to install the fifth kiln, though stipulating that the company provide adequate safeguard against air pollution in the valley section. When residents opposed the permit, the matter was referred to the County Board of Supervisors for review.

Louis H. Burke Named Attorney For Freeholders

Louis H. Burke, who has been retained as legal consultant for the Board of Freeholders of the County of Santa Clara, is a member of the Los Angeles law firm, Burke, Marshall & Burke, which has specialized for many years in representing local agencies of government in all parts of the state. Mr. Burke was general counsel for the state organization of the cities of California, the League of California Cities, for a period of 12 years, and has been city attorney of his own home city of Montebello for approximately 20 years.

He was recently retained by the Board of Freeholders of the County of Merced to prepare the new Merced County charter. He is well known in that area, having previously been retained as legal counsel for the elected board of freeholders of the City of Merced, which proposed a council-manager charter, which was overwhelmingly approved by the voters of the city and which has been in successful operation for more than a year.

Mr. Burke is considered one of the outstanding experts on the preparation of charters and six of the charters which he has prepared have been approved by the voters of the various communities and are now in operation in California. His work is quite favorably known in this county, since he was retained by the City of San Jose to codify all of its city ordinances, from the date of its incorporation to the present time.

Trees Of Wealth To Be Theme Of SC County Exhibit

Trees of Santa Clara County, is the chosen theme of the county's agriculture exhibit at the California State Fair, August 31 through September 10, it was announced today by Kenneth L. Stephens, exhibit manager.

The exhibit's unique theme, chosen by the advisory committee as the most representative of the county's fame—its fruit and blossoms, will carry the slogan, "Trees of Wealth."

Design and construction of the exhibit, which began this week in Sacramento, is being handled by the San Jose Chamber of Commerce with the assistance of Carl Lemaine, San Jose commercial artist and designer.

Fruit trees, flower boxes, redwood rustic display counters, movie photo murals, will depict the theme as the setting for the exhibit of the county's agriculture produce and wine.

Last year's exhibit theme centered around San Jose's centennial celebration, with models of

Cupertino Grange Adds 3 Members; Men's Nite, Aug. 11

Three new members were added to the Cupertino Grange at the July 14th meeting in the Oddfellows Hall. The neophytes receiving their degrees were Mrs. Sara Dow, and Mr. and Mrs. Carl A. Hanne-man.

Master Dwight F. Sheffer presided over festivities.

The Lecturers program featured a thorough book review on flowers, weeds, and plants, Under the auspices of the Literary Committee, the review was presented by Mrs. Grace Weinberger who was introduced by Committee Chairman Paul Bean.

Among the interesting phases of the review was the story of the migration of flowers and weeds from foreign countries. Mrs. Weinberger told how the Russian tumbleweed was brought from the southern plains of Russia into South Dakota, hidden in flax seed, and its subsequent spread to surrounding locales.

During the business session, Lecturer F. L. Wood requested a motion, that was eventually passed, to have men's night at the August 11 meeting. It will be in complete charge of all functions, including the refreshments.

The next meeting of the grange will occur Friday, July 28, with the Conservation committee presenting the Lecturer's program. Chairman of the committee is Vince S. Garrod.

The members heard a report by Ernest Angelo on the Salesperson contest. According to his report the committee is pleased with the members' response.

Angelo also reported on the Fair booth committee and urged all members to bring fruit, vegetables and other produce. A motion to assist the Pomona Grange with their fair booth was passed. It was understood that all subordinate granges in the county will participate in the activity.

John Breeding spoke on high property taxes and the State pension system.

MARRIAGE LICENSES

GEORGE JOHN MEDERIOS, 22, Santa Clara, and VIOLET JUNE PUCKETT, 19, Campbell.

the first State Capitol building and the Santa Clara Mission.

Effort is being made to have an even more complete exhibit than last year. Berries and apricots have been picked and placed in storage for the exhibit, by Donald Brown of the exhibit staff; however, other varieties of walnuts, almonds, shipping plums, apples are being sought.

All growers and gardeners with outstanding fruit are asked to contact the San Jose Chamber of Commerce office. Examples selected will be placed in cold storage, transported to Sacramento and professionally packed for exhibit and competition.

'Two Blind Mice' Will Be Produced Next Week By L. G. Theater Workshop

Betsy Smith and Ed Williams take the leading romantic roles in the three-act comedy, "Two Blind Mice," which the Los Gatos Adult Theater Workshop will present Friday, July 28, at Los Gatos High School auditorium.

The Samuel Spewack play has its setting in the mythical Office

High School Costs To Continue Climb, Says Association

It costs far more to teach a high school pupil in Santa Clara county now than it did ten, or even five, years ago," California Taxpayers' association said today.

Average current cost per pupil in the larger high school districts in the county for 1948-49, 1949-50, and 1950-51 was as follows:

Campbell	\$232.79	\$207.93	\$142.75
Fremont	315.39	180.06	152.09
Los Gatos	258.55	228.08	181.49
Mt. View	318.11	243.26	160.36
Palo Alto	302.01	226.87	180.71
San Jose	334.85	232.64	164.80
Santa Clara	307.83	237.11	155.13

Higher teacher salaries have been a major cause of increasing school costs, the association said.

State studies show that the average (midpoint) annual salary for a school teacher in California during 1948-49 was \$3,583 (median); for 1937-38 the average salary was \$2,201. For 1949-50, median salary for all California teachers was \$3,637; for high school teachers it was \$4,153. No data were available for 1938-39 or 1943-44.

"High schools are only beginning to feel the tremendous wave of school population," the Taxpayers' association said. Elementary schools are already pressed with this problem.

School boards face many problems in the years ahead, rising enrollment being a major one. Unless school boards will exercise wise controls and stretch the school dollar, the burden of public school costs may become insupportable.

Public Hearing On County Charter Called July 26

Santa Clara County's Board of fifteen Freeholders, elected at the June 6 primary election to draft a new county charter, will hold the first of several public hearings Wednesday evening, July 26, at 8 p.m. in the Board of Supervisor's chambers, Fred A. Wickett, chairman of the freeholders, announced today.

Articles 1 through 7 of the 1948 County Charter proposal will be revised at the July 26 hearing and comments will be invited from any interested citizens present.

"The public hearings are being undertaken by the Board of Freeholders in an attempt to invite comments and constructive suggestions from the citizens of Santa Clara County," Wickett stated. "Our county government," Wickett continued, "must serve the best interests of all the people. The Board of Freeholders earnestly solicits the aid and interest of the people in the drafting of a charter for Santa Clara County, which will be submitted to the electorate for approval in November."

The Board of Supervisor's chambers are located on the top floor of the Santa Clara County Court House in San Jose.

Any citizen or group desiring to communicate with the Board of Freeholders may do so by writing to Room 344, Security Building, 84 South First Street, San Jose, or by telephoning CYpress 2-7806.

New Swim Class To Start August 21

Another swimming class August 21, will be held as part of the Campbell Union School District Recreational program. Neil Royer, director, announced today.

All three schools participating in the program, Campbell, Moorpark, and San Tomas, will be available for sign-ups July 24, from 10 a.m. to 3:30 p.m. with the exception of the lunch hour.

This new class, the third offered this summer, will be limited to those students who have not participated in a previous swim class. After the newcomers have registered, any openings may be filled by those who have had swim classes before.

Legal Notice

NOTICE IS HEREBY GIVEN that the County Planning Commission of the County of Santa Clara, State of California, did, by a resolution of said Commission adopted on the 21st day of June, 1950, propose certain amendments to the Zoning Ordinance, Ordinance No. 120 of the County of Santa Clara, and did declare it to be its intention to consider said proposed amendments in the manner provided by law, which proposed amendments are as follows:

To amend Sectional District 10-a of the Fourteenth Unit of the Zoning Plan and Sectional District 10-a of the Twenty-second Unit of the Zoning Plan to reclassify certain property from an R-1:B-D zone to an R-4 zone and a C-1 zone said property being located at the Northeast corner of Latimer Avenue and Santa Clara-Los Gatos Road, being a part of Lot 2 of "P. G. Keith's Subdivision."

NOTICE IS HEREBY FURTHER GIVEN that the Commission did set certain times and places for public hearings on said proposed amendments at which times and places any and all persons interested in said proposed amendments may appear and be heard thereon, which times and places are as follows, to-wit:

At the hour of 2:00 P.M. on the 5th day of July, 1950, in the Board of Supervisors Chambers at the Court House, San Jose, California.

At the hour of 2:00 P.M. on the 2nd day of August, 1950, in the Board of Supervisors Chambers at the Court House, San Jose, California.

The FARMERS CORNER

by Ralph H. Taylor
Executive Secretary
Agricultural Council
of California

At the Berkeley meeting of the President's Water Resources Policy Commission last month, C. H. Purcell, California Director of Public Works, charged that there is "a regrettable lack of unity in purpose, and want of common standards" in Federal water policies.

That, of course, is a polite way of saying that Federal agencies, in planning for huge water development projects costing millions of dollars and affecting the basic livelihood of the citizens of vast regions, have a habit of going off half cocked.

Some idea of the magnitude of the proposed developments which are approached with such confused and fuzzy thinking can be gained by the recent estimate that over the next five years, in five western states alone, Federal agencies plan to spend \$2,382,619,000 for river harnessing projects.

What proportion of that huge contemplated sum is justified? Probably no one is qualified to say with any degree of certainty. If past experiences are any criterion it seems certain that much of the money will be wasted on highly questionable projects—for benefits in no way commensurate with the cost.

There is a relatively new and hopeful factor in the situation, however. Many of the contemplated projects cross state lines and disturb existing agreements and water use arrangements between states. As these projects emerge from the early stage of planning, it can be expected that they will be met with violent controversy. Out of such controversy, facts will emerge and public understanding will be reached on many disputed issues and problems. As a result, it is just possible that some of the more unsound, extravagant developments may die on the drawing board.

Such a situation exists today in the case of the widely publicized Central Arizona Project.

This proposed water and power development, blueprinted by the U. S. Bureau of Reclamation and ardently sought by the State of Arizona, would cost Federal taxpayers 738 million dollars just for construction of its initial features. That amount is more than the cost of the Panama Canal.

If the Central Arizona Project had planned to make use of water rights owned solely by the citizens of Arizona, it is entirely possible that Congressional approval for its construction would have been given with little fuss or fanfare, and the rights to that water are claimed by the States of Wyoming, Colorado, Utah, New Mexico, Nevada and California, as well as Arizona. Consequently, all of those states, and particularly California, would be vitally affected by the project. California, which regards the development as a raid upon its established rights, is impalably opposed to its authorization.

The Colorado River Association, which is spearheading the fight against the project, sums up its opposition in these terms:

"The Central Arizona Project proposes to use water which it does not own, lift it nearly twice as high as the Washington Monument, convey it farther than from Washington to New York, at a cost to the Federal taxpayers of a billion dollars, to irrigate two hundred thousand acres of privately-owned war boom land, the owners of which would not be required to repay any of the construction costs, to raise crops which are already surplus and subsidized in this country!"

At a result of California's vigorous stand, many startling facts have come to public attention.

According to the Bureau of Reclamation's own figures, present water requirements and contracts of states bordering the Colorado are in excess of the total water supply!

Although the Arizona land proposed to be served is valued at \$300 per acre, irrigated, the proportionate per acre cost of the project would be \$1750, or \$280,000 for a 16-acre farm!

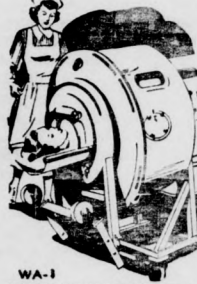

There is no guarantee that the cost of the project would ever be repaid to the U. S. Treasury, and there is no provision of interest on the investment. Taxpayers of Nebraska, for example—a state that prides itself on never going into debt for its own wants—would be required to pay over 20 million dollars as their share of the Central Arizona Project's construction cost, interest and non-reimbursable subsidies. Taxpayers of the State of New York would pay 356 million!

Regardless of the questionable soundness of the development.

But the project would divert water from the Colorado River.

The Project would cost California taxpayers, whose welfare would be seriously damaged, 202 million dollars.

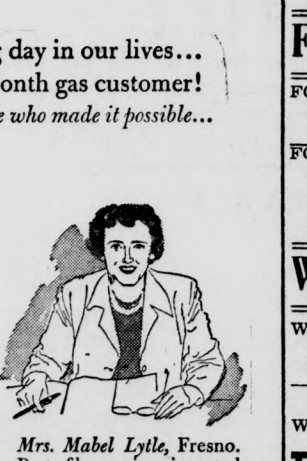

The controversy over the Central Arizona Project is a healthy, constructive, and timely thing. Similar controversies in the future, it is to be hoped, will have a sobering effect on some of the Federal project planners' wilder dreams.

If POLIO hit your family
COULD YOU USE \$5000?

Of course you could—and it costs only a few cents a day to make sure your loved ones get the best possible care and attention if that dread disease should strike. Can you afford to gamble with your children's health and future? Not when you can be sure for less than a penny a day!

CARLIN L. SEATON
85 El Caminito Ph. Campbell 2920
REPRESENTING
Woodmen Accident Co.
LINCOLN, NEBRASKA

You can see by the expressions on the faces of P. G. and E. people that everybody was pleased and proud to have reached the one-million mark.

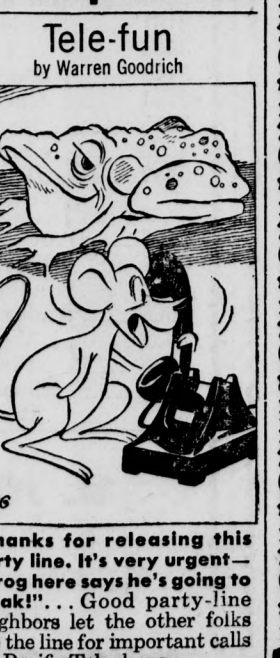

But what pleased all of us most is—our million gas customers get not only good service, but get it at rates among the lowest in the whole United States!

Mrs. Mabel Lytle, Fresno. Part of her savings invested in P. G. and E. stock pays her a return, and helps build important projects like "Super-Inch" for the future. Women, by the way, own more P. G. and E. stock than do men.

Walter Teague, one of 16,572 P. G. and E. employees. He connected the new Wolf home to our mains—his 2500th installation in his 5 years with P. G. and E.

George E. Browning, Superintendent of Service, San Francisco. He started with P. G. and E. 39 years ago, was promoted to his new post on June 1. He sees to it that our 252,000 San Francisco customers get prompt service.

Alex Sprattling, field man in charge of P. G. and E.'s famed 63 million dollar "Super-Inch" Pipeline being built to bring Texas and New Mexico gas to P. G. and E.'s customers by January.
